# Beatrice Bernasconi

*Curriculum Vitae*

*beatrice.bernasconi [at] math.ethz.ch*

## Education

Sep 2025 - present — **PhD student in Mathematics**, *ETH Zürich*
Supervision: Dr. Christian Urech

Sep 2022 – Jul 2025 — **Master's Degree in Mathematics**, *Università degli Studi di Milano*
Thesis: *Classification of Holomorphic Foliations*
Advisor: Dr. Roberto Svaldi
Graduated with score: 110/110 cum laude

Sep 2019 – Dec 2022 — **Bachelor's Degree in Mathematics**, *Università degli Studi di Milano*
Graduated with score: 98/110

Sep 2014 – Jul 2019 — **High School**, *Liceo Scientifico Marie Curie, Tradate*
Graduated with score: 100/100

## Stage Experience

Feb 2024 – Feb 2025 — **Centennial Project**, *Università degli Studi di Milano*
Developed of a web app to guide users through mathematical landmarks in Milan with quizzes.
Contributions: wrote quiz questions, designed routes, acted as a guide for school groups.

Sep 2018 — **Internship in Biology Lab**, *Università degli Studi dell'Insubria, Busto Arsizio (VA)*
Worked with PhD students in a high-tech lab. Learned basic techniques such as PCR, used to study genetic conditions like Rett Syndrome.

Oct 2016 – May 2017 — **Arduino Programming Course**, *Liceo Scientifico Marie Curie*
Built a mini-car that turned right upon detecting an obstacle.

## Work Experience

Oct 2024 – Feb 2025 — **Grader for First-Year Mathematics**, *Università degli Studi di Milano*

Jul 2023 – Jun 2024 — **Exhibition Guide**, *"Simmetria – Giochi di Specchi"*, *Università degli Studi di Milano*
Guided students from primary to high school through a geometry and symmetry-based mirror exhibition.

Oct 2019 – May 2021 **Math Student Union Coach**, *Liceo Scientifico Marie Curie*
Founded and later coached the team. Taught theoretical and practical lessons to prepare for the Math Olympiads, covering topics such as Number Theory, Analysis, Euclidean Geometry, and Probability.
